LOCATION OF BURN:

Burn for the purpose of: _____

Burn will take place from (MM/DD/YY) _____ to (MM/DD/YY) _____

You are required to take the following steps to ensure safe burning conditions and to obtain an approved burning permit:

1. When atmospheric conditions (clearing index) indicate it is okay to burn (obtained via dispatch). Burning shall not be done when atmospheric conditions or local circumstances make such fires hazardous (such as high winds, red flag, etc.).
2. Burning shall be done at a distance of more than 50 feet from any building, structure or combustible.
3. An adequate water supply or other fire extinguishing equipment shall be available.
4. The burn area shall be constantly attended by a competent person and shall be completely extinguished before being left. **All fires shall be completely extinguished before dark.**
5. Applicant must be in legal control of the land on which the burn is to take place.
6. Approved fuel breaks shall be established between the controlled burning area and any endangered property. (The width of fuel breaks shall be determined by height, type, and amount of growth, wind conditions, geographical conditions, and type of exposure).
7. Adjacent neighbors shall be notified prior to burn.
8. Such burn shall not pose a threat to forest, range, or watershed lands.
10. When burn is not on the same day the permit is issued or the permit is for more than one day, notification by applicant to Dispatch is required on each day of burning.
11. **You may not burn if** the permit has been used by a person other than to whom the permit has been issued.
12. **You may not burn if** the permit has been used for a location other than that for which it was issued.
13. **You may not burn if** the applicant failed, refused or neglected to comply with orders or notices duly served in accordance with the provisions of this code within the time provided therein.
14. **You may not burn if** there has been a false statement or misrepresentation as to a material fact in the application or plans to which the permit or application was based.
15. **You may not burn if** any of the conditions or limitations set forth in the permit have been violated, or if the permit was issued in error or violation of an ordinance, regulation, or code.
